

Become is the charity for children in care and young care leavers.

Our Propel team provide free services for care-experienced young people, thinking about college or university.

The Propel UCAS Goals Scheme

Through the UCAS Goals Scheme, you can get expert feedback on your UCAS Personal Statement from someone in Propel's network of professional volunteers.

We have trained these professionals to review Personal Statements and provide constructive, concrete feedback to help you make your Personal Statement the best it can be.

The Scheme runs from November to 26/01/2024.

Apply by scanning the QR code below.
